- 1 1/2 cups mini vanilla wafer cookies
- 1 cup mini pretzel twists
- 2/3 cup white vanilla baking chips
- 2 tablespoons festive trees or other holiday sprinkles (red, white and green)
- 2 cups Cinnamon Chex cereal
- 1 cup roasted and salted almonds
- 1/4 cup miniature marshmallows
- 2 tablespoons candy-coated chocolate candies (red and green)
- 2 tablespoons milk chocolate chips

## Preparation

- 1) Line 2 large rimmed baking pans with wax paper.
- 2) In large microwaveable bowl, add rice or corn cereal. In small bowl, combine syrup and butter. Pour over cereal in bowl and toss to coat evenly. Microwave on High for 2 to 4 minutes, stirring after each minute, until mixture is well coated and thoroughly glazed. Spread mixture onto one of the baking pans to cool.
- 3) Spread cookies and pretzels in single layer, right side up, onto the remaining baking pan. In small microwaveable bowl, microwave 1/3 cup of the vanilla chips on High for 30 to 60 seconds, stirring after 30 seconds, until chips are melted and smooth. Transfer melted chips to small, resealable food storage bag and cut small corner from one end of bag. Drizzle on top of cookies and pretzels. Top with sprinkles; cool 20 to 30 minutes, or until drizzle is set. Carefully break apart the pretzels and cookies, if necessary.
- 4) In oval or round serving dish with sides, mix maple-glazed cereal, cinnamon cereal, cookies, pretzels and almonds.
- 5) In small microwaveable bowl, microwave remaining 1/3 cup vanilla chips on High for 30 to 60 seconds, stirring after 30 seconds, until chips are melted and smooth. Transfer melted chips to small, resealable food storage bag and cut small corner from one end of bag. Drizzle on top of snack mix to resemble a spaghetti pile. Top with marshmallows and candies.
- 6) In another small microwaveable bowl, microwave milk chocolate chips on High for 15 to 30 seconds, stirring after 15 seconds, until chips are melted and smooth. Transfer melted chips to small, resealable food storage bag and cut small corner from one end of bag. Drizzle on top of candies, marshmallows and snack mix to resemble chocolate syrup. Top with additional sprinkles if desired. Refrigerate 15 to 20 minutes or until drizzle is set. To serve, break into pieces.
